Maureen O'Connor, Chief Justice
SUPREME COURT OF OHIO, THE
65 S Front St
Columbus, Ohio [43215]

TO ALL CONCERNED:

This letter is for the purpose of publicly announcing that I am resigning as an attorney licensed to “practice law” in the State of Ohio. No one is pressuring me to make this decision. I have no reason to believe there are any attorney disciplinary proceedings pending or being initiated against me. My decision is based solely on my own conscience and sense of ethics. I understand it to be irrevocable.

RA
As a follower of the teachings of our Lord Jesus Christ, I find I can no longer associate myself with those who have abandoned the pursuit of earthly justice in favor of money and power. In particular, I can no longer rationalize the legal system’s increasing disregard of basic Constitutional principles, such as the rights of Us the People to not have our lives, liberties, or properties taken from us without due process of law, the right to bear arms without government approval, the right to be free of unreasonable searches and seizures, and the multiple rights enshrined in the now increasingly ignored First Amendment. I took an oath to become an “officer of the court” and to support the Constitution, not corporate interests, during a mass swearing-in ceremony in Columbus in the spring of 1977. I can no longer tolerate seeing that Constitution besmirched by “courts” at every level. In particular, I can no longer stomach the prospect of ever again working in a system that disregards plain meaning of both its own corporate statutes it calls “law” as well as the principles of higher jurisdictions of Common Law, the Constitution, and holy scripture. I cannot be part of a system that exempts corrupt judges from liability for crimes they commit against their fellow men, women and children under color of law [*Stump v. Sparkman*, 435 U.S. 349 (1978)], a system that condones pedophilia [*State v. Mole*, 2016-Ohio-5124; *In re CP*, 131 Ohio St.3d 513 (2012)], a system that denies recovery of compensation for those whose lives are shattered by the well-connected and the corporations [*Arbino v. Johnson & Johnson*, 2007-Ohio-6948], a system that destroys attorneys such as Richard Fine who legitimately criticize “judges” [<http://edition.cnn.com/2010/CRIME/05/24/jailed.lawyer.richard.fine/index.html>], a system, in short, that is very much bifurcated into one kind of justice for the wealthy and another, very different one, for the rest of us.

The last straw for me occurred a few months ago when I finally began to learn about the giant hoax that has been perpetrated against the American people, a process that continues to be expedited by attorneys and judges. My previous belief that the judiciary was a branch of our Constitutionally mandated republic was destroyed when I read former attorney Melvin Stamper’s book, *Fruit from a Poisonous Tree* and confirmed the truth of everything he disclosed and for which I could find documentation. What I now know, and which is still concealed from most of the American people, is that our “courts” are private, for-profit corporations that trade in on the

churning of controversy for profit *via* systems such as CRIS (Court Registry Investment System). The most nauseating features of this type of corporate profiteering are not just the multiple frauds that support it, but the fact that it preys on the old, the young, and the disenfranchised of all races and genders. And it does so for dollars or should I say, for Federal Reserve Notes.

Finally, I require that my name be stricken from the rolls of the Ohio Supreme Court due to my recent discovery that any retention by me of “any title of nobility or honour [sic]”, such as attorney at law, esquire, or any version thereof, may be prohibited by the original Thirteenth Amendment to the U.S. Constitution, which Amendment was apparently ratified in Ohio on January 31, 1811.

Sincerely,

**NOTICE TO PRINCIPAL IS NOTICE TO AGENT
NOTICE TO AGENT IS NOTICE TO PRINCIPAL**

BE IT KNOWN BY ALL:

1. That I am a living flesh and blood woman, known since I can remember by my birth name of Katherine Hine. Following several marriages I became known as Katherine Hine Good or Katherine Good, Katherine Hine Campbell or Katherine Campbell, Katherine Hine Rohrer or Katherine Rohrer, Katherine Hine Green or Katherine Green, or KATHERINE H. HINE. I am told and have always believed I was born in the sovereign republic of Massachusetts. I am the legitimate daughter of married parents who gave me the name Katherine Hine

thereof. Any and all assets related to or created under any of said legal fiction names, by men and women unknown to this affiant, impose no liabilities upon me, the living woman. I am entitled to a full accounting from any such men and women who may currently and/or who have in the past, generated income without my informed consent by means of said legal fiction names.

6. I reserve my right to choose when to be and when to not be in contract with a corporation. *Merrion v. Jicarilla Apache Tribe*, 455 U.S. 130, 144-148 (1982) ("to presume that a sovereign forever waives the right to exercise one of its powers unless it expressly reserves the right to exercise that power in a commercial agreement turns the concept of sovereignty on its head.")

7. I also hereby reserve my natural common law right not to be compelled to perform under any contract that I did not enter into knowingly, voluntarily, and intentionally. I do not accept the liability associated with the compelled and pretended "benefit" of any hidden or unrevealed contract or commercial agreement. As such, the hidden or unrevealed contracts that supposedly create obligations to perform for persons of subject status are inapplicable to me, and are null and void. If I have participated in any of the supposed "benefits" associated with these hidden contracts, I have done so because of threats of violence, under duress, and/or for lack of any other practical alternative. Any such participation does not constitute "acceptance" in contract law, because of the absence of full disclosure of any valid offer and voluntary consent without misrepresentation or coercion, under contract law. Without a valid voluntary offer and acceptance, knowingly entered into by both parties, there is no meeting of the minds and therefore no valid contract. Any supposed "contract" is therefore void *ab initio*.

8. I do not recognize that any *de facto* corporate government or its contractors have the authority to amend or repeal the protections of the Holy Bible, Magna Carta, Declaration of Independence, the 1787 Constitution for the united states of America, the 1781 Articles of Confederation, or of the Ohio Constitution.

9. As a free and living woman, living under the common law and in reverence and obedience to the Lord God Almighty, to secure the blessings of liberty to myself and my posterity, to define my legal and political rights, and to re-acquire my birthright as a member of the body of "We the People", I hereby asseverate, repudiate, renounce, rescind, disavow, and revoke my citizenship, if any ever existed or which I may have inadvertently acquired, by any scheme, with the legal fiction known as the UNITED STATES Government (Corporation).

10. Any who wish to challenge the facts or conclusions set forth hereinabove must do so by responding to this Notice with a verified Affidavit by a man or woman with first-hand knowledge of any of the facts set forth hereinabove, within fourteen (14) days of receipt, and delivered by U.S. certified mail, return receipt requested to:

Debra McCabe
[c/o] 2842 Patton Hill Road.
Chillicothe, Ohio [near 45601]
(united states of America)

11. Any use of a notary public I may have ever made was and remains for identification, and such use does not grant any jurisdiction to anyone.
